

On January 18, 2017 WaterPro filed an application for a Culinary Water Rate Case with the Division of Public Utilities. The application is seeking approval of a rate increase of approximately 5%. Over the past few months, the parties have discussed the matters and have recently entered into settlement discussions. The settlement discussions resulted in the preparation and execution of this Stipulation now presented to the Commission.

(BACKGROUND) On July 2, 2012 WaterPro filed an application for a rate increase requesting a 4% for all rate classes and was approved by the Public Service Commission of Utah.
